Gentlemen:

Our bus is now in the name of the Newark Eagles Baseball Club, but last year it was in the name of the Brooklyn Eagles Baseball Club, and I would like you to kindly send us the two blanks that are necessary to fill out in order to get the sticker. We had it inspected and it passed, but I understand we have to have these two blanks filled out before we can obtain the sticker.

I am enclosing a stamped envelope, and would appreciate your mailing us these blanks by return mail.

Very truly yours,
